1 Corinthians 1:2-9

Called by God- Part 2

Having been called by God, we have a higher purpose in life (v1) and it includes our involvement in a local church, the church of God (v2).

More than that, however, we have been called to holiness (v2-8):

- 1) As the Corinthian's were heavily influenced by their culture, do you feel that the city is having an impact on you, or are you having an impact on our city?
- 2) How does it make you feel that you have been sanctified (v.2)?
- 3) What does it mean to you that you have received God's grace?
- 4) How does the peace of God change how you live?
- 5) How have you been enriched by God (v.5)?
- 6) According to verse 8, God will "confirm you to the end." He will not abandon you. Do you ever think that God has abandoned you?
- 7) The key verse of 1 Corinthians is that you have been called into fellowship with your Lord and Savior, Jesus Christ (v.9). What does that mean to you?
