

1 John 4:7-16

Real Love II

- 1) According to verses 7-8, can you define love? How is love more than making someone feel good? Would you agree that love is pointing people to God?
- 2) How did love prove itself (9)? Are you able to exhale and receive that love?
- 3) How do we exercise false love at times? (v. 10- “...not that we...”)
- 4) Tell of an instance when you could sense love manifesting itself through you (11-12). If you are God’s manifestation of love on earth, how does that make you feel?
- 5) What empowers love in our lives and what allows us to receive the Holy Spirit? (13-16) What impedes the effects of the Holy Spirit in us?
- 6) How has your thinking about love changed (if at all) through this study?
