

Community Group Study Guide

09.13.2009

Ignite

1. Read 2 Corinthians 4:6. Did this ever happen to you? Tell us when.
2. Read Matthew 5:13-16. What are some characteristics of salt and light?
3. Discuss as a community group how you are doing in “fleshing out” your identity as salt and light.
4. Discuss ideas on how you as a group can be more missional this year. What are you involved in that stirs a desire to “go the extra mile” for someone? Do you know a neighbor in need, a friend in your workplace, a struggling relative.... How can you show the love of Christ to them?

We are giving you \$100 to jump start letting your light shine beyond your group.

If there is a lack of ideas, please refer to Jessica Smith at the church office.
