Made to Breath – THY KINGDOM COME

*In sync with a glorious plan by prayer!*

1) What does your GPS say to you when you make a wrong turn? Tell of a story when you made a right or wrong “turn” in life and what you learned from it.

2) Since you are to pray for God’s Kingdom to come…

a) what is God’s Kingdom, and

b) what are you really asking for?

3) To pray, “Your will be done…” can be very difficult at times. How have you struggled to say that prayer?

4) God’s will for you is to be glorious. What does that inner transformation look like? Can you think of any Scripture that speak to our being changed on the inside?

5) God’s will for you is to be you. Read and consider some of these passages: Ps. 139, Eph. 2:10, Jer. 29:11, Ps. 138:8

6) When the Beatles came out with a song from their Rubber Soul Album, one of the lines is:

*“He’s a real nowhere man, sitting in his nowhere land, making all his nowhere plans for nobody.”*

Do you ever feel that way? Do you think that you were made for God’s purposes? How does your life fit that? Can prayer help you feel more a part of God’s plan?
