

## Psalm 16

- 1) “God is most glorified in us when we are most satisfied in Him.” [Piper] What are some things that seem to eat away at your being satisfied? Why?
- 2) How do you experience finding satisfaction in God and actually enjoying His presence (1-2)?
- 3) When have you found enjoyment in other people? Can you tell of a person or situation (3)?
- 4) What good gifts have you enjoyed from the hand of God? When do you feel you cross the line and begin to value the gift more than the giver (4)?
- 5) If God is your portion, are you satisfied with that (5-11)? Why or why not?
