

Psalm 23

- 1) What is special about your relationship to God as it relates to the metaphor of a shepherd and sheep?
- 2) How do we at times act like sheep?
- 3) What does it look like to you that God provides:
 - a) Spiritual Nourishment (v2-3a)? What places, people or situations are “green pastures” or “restful waters” to you?
 - b) Direction (3b)? How does God show you the way?
 - c) Protection (4)? What have you learned from people about the nature of God who have been through dark valleys?
- 4) How would you describe God’s loyal love (v6) “pursuing you all the days of your life”? Do you feel this happening in your life?
