Romans 11

1. What evidence does Paul recite to show that God has not rejected Israel?
2. How do I feel, knowing that God is faithful even when I am not (see Romans 8:29-31).
3. What is the guarantee of God's blessing (V. 6).
4. Paul writes at length in 11:17-32 to overcome an attitude that Gentiles might have. How does he describe this wrong attitude (V. 18, 20, 25)?
5. Why should Gentiles not have this attitude, even though God has broken off some Jews from the tree of His people and grafted Gentiles in (17-24)?
6. How does Paul describe God in 11:33-36?
7. How can we take some of these truths to heart and apply them this week?
