Romans 16:25-27

1. What does this world's system define as being "established"?
2. What does the Bible say about being "established"? How does it happen? What difference does it make?
3. Where do people go wrong? (Romans 1:21+)
4. What was the purpose of the "mystery" being revealed (v. 26)? How do you try to explain this revelation of God?
5. The study of Romans should establish us in our faith and make us more excited to share Christ with others. The result is that the only wise God will be glorified. Why should God be glorified? (Ps. 72:18-29; Luke 2:13; Matt. 6:13; Eph. 3:30).
