Mark 5:21-43

Read through these verses together

1. As you zoom into the needs of Jairus and the anonymous woman, who do you identify with most and where do you see your own need for Christ?
2. For a few—Share one instance when you experienced God's redemptive power in your life. When was gray transformed to vivid color.
3. How do I still try to do God's job in my own life? When do I need to drop the machete?
4. Setting community goals: As a community of Christ followers, how can we pray for each other and hold each other accountable this week?
