

Sermon Notes | **with** - Incarnational Living

1. Post-Christian Context
2. Disconnected Culture

Fewer people spend time with neighbors.

Americans with no close friends has quadrupled since 1990.

Americans spend 1 hour and 40 minutes more at home than in 2022.

"Taken together, these trends suggest that Americans are increasingly retreating inward instead of engaging in communal activities. Friendship is no longer seen as an integral part of daily life, but rather something we squeeze in when all our other responsibilities have been met."

— Carolyn Bruckmann, Harvard Kennedy School MPP '25

John 1:14

"And the Word became flesh and **dwelt among us**, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth."

John 17:15-18

I do not ask that you take them **out of the world**, but that you **keep them from the evil one**. They are **not of the world**, just as I am not of the world. **Sanctify them in the truth**; your word is truth. **As you sent me into the world, so I have sent them into the world.**

Big Idea: **To do mission like Jesus, dwell in the land.**
