

Prayer Requests from CFC Partners

Hutton's in Arab Lands

For this month, our city has turned riotous over the last two days. Praying for safety and peaceful resolution, also knowledge of how to love and share the gospel well in an increasingly turbulent city.

Please pray for the group of pastors from Western PA district that will be visiting our ministry sight in the beginning of November. We are asking the Lord to give them a clear picture about the need and opportunity in this region. Seeing how Alliance ministries are serving, we pray they will bring an excitement and encouragement back to their churches that will lead to enhanced mission engagement on the part of Western PA churches.

Compassion International

Pray for the health and safety of children and their families in Honduras, where an outbreak of dengue fever has affected the lives of 161 children. Pray for their healing.

Hope International

Praise God that the testimonies of savings group members are drawing other community members to the program and the Church!

In Burundi, pray that hearts would be softened and changed as current savings group members invite their former moneylenders to see God's goodness through this empowering method of accessing lump sums of money.

Pray for HOPE Malawi and their church partners as the savings group program expands into a new region.

Pray that the Church in Ukraine would be rejuvenated and that perceptions of the Church would change so that more young families and individuals will hear the hope of the Gospel.

Immerse

Again, we are amazed at God's provision in continuing to renovate the Immerse property. We had 40+ workers from Smucker and Sons come for a work day on October 11. These most recent renovations included 51 new windows, a stairway into an office in the Academic Center and cleaning and repairing the pond in our prayer garden. As mentioned in our most recent prayer update, with the skilled labor being donated for the entire day, our only expense was materials "at cost." The total cost for Immerse was \$19,200; with the donations that we've received so far we have about \$7,500 remaining to cover.

Prayer Requests from CFC Partners

If you would like to contribute, you can:

- Send a check to Immerse, 321 Manor Avenue, Millersville, PA 17551. Write "Oct 11 workday" in the memo;
- Go online at www.immerse-us.com

Beginning in January, we will have two openings for resident students. Pray with us for God's leading and provision for the students to come and live here on campus for next semester.

Pray for the start of our next Intensive English Learning Program session on October 27; that God would bring the right students and hearts would be open for the students to experience His love.

IJM

Africa- Pray for Christine, a widow in Uganda who has been driven off her land by a neighbor. Despite Christine taking her neighbor to court and winning her case against him earlier this year, the man and his followers only escalated their violent attacks against Christine and her family. Pray for Christine's safety, for she and her family to be safely restored to their land and that the new court case would proceed smoothly and justice would be done.

Latin America- In 2017, we started walking with six boys, ages 9 to 14, who were victims of sexual abuse and exploitation in the Dominican Republic. We praised the Lord together when our team secured a 10-year sentence — the maximum sentence by law in the Dominican Republic for this crime — against their aggressor. We celebrated later in 2018 when most of the survivors finished their therapy process. Now, we are asking you to persevere in praying for the legal side of this case. By local laws, their aggressor has two opportunities to appeal his sentence. Praise God that the first time he appealed the judge decided to uphold the sentence, and please continue praying as the second appeal happens — pray that once again the sentence would be upheld and justice would prevail.

South Asia-Please pray for an ongoing case we're pursuing, involving two minor girls being sold for sex in a major city. Our team has been working with police to coordinate a rescue operation, but our first attempt fell through at the last minute. Pray we can find and rescue these girls quickly, and that police would be able to arrest the two suspected traffickers as well. Pray these two girls would not experience more violence as they are waiting for rescue.

Life Cycles

-We are grateful for God's provision and protection this year and over our five years of ministry.

Prayer Requests from CFC Partners

- We seek God's continued provision through the upcoming Extra Give event in Lancaster (November 22) and through programmed giving.
- We ask for God's protection in our final two Saturday rides of the year, tomorrow and November 2.
- We are grateful for the LIFECYCLES teens who have asked Jesus into their lives.
- We ask God to bless our boys, girls, families, and leaders who will make up the nearly 200 people who will attend our End of Year celebration at CFC on November 17.
- We ask for God to guide the boys and girls in their school and home environments.
- We are grateful for the volunteer leaders who believe in helping these teens become the men and women God created them to be.

Pioneers

Jesus is bringing many North Africans out of fear. Now they have the wonderful joy of Jesus. Next they want to take the good news to those still waiting to hear.

Would you pray that God would make a way for them to go and start church churches?

May God send more laborers into the harvest!

Siloam

Praise-For CFC partnership as we expanded our out reach the support is greatly appreciated

-Our clinic now has 5 satellite medical clinic in 5 schools

-Complete digging one well, clean drinking water for one of the school children

-Weekly outreach medical visitation

1-To our elderly seeing 26 patients

2- A village with poor people seeing 45-50 patient

-We have 4 beautiful girls in the orphanage growing with the knowledge of Jesus Christ, 2 of them were water baptised 2 weeks ago.

Prayer Requests from CFC Partners
