### Equip | Patient Endurance

1. How has the pandemic affected how you are feeling these days? Describe a moment that has required patient endurance on your part.
2. Read 2 Timothy 4:5. Note that Paul is writing to young Timothy from prison, while facing his own death. Paul has been through every high and low imaginable and has learned how to be content (Phil. 4:12). He offers a few "tools" on how to endure patiently.
  - a. "...*be sober-minded*" - How can our emotions start to control our minds? How can we learn to acknowledge our emotions (Psalm 62:8), and yet not allow them to control us?
  - b. "...*endure suffering*" - Describe some of the small hardships you have experienced (acts of service, falsely judged...) and some of the harder trials you have had to endure. Why do you think it takes faith to "endure"?
  - c. "...*do the work of an evangelist; fulfill your ministry.*" - Timid Timmy wasn't really known to have the gift of evangelism. Why would Paul not say, "Have some chicken soup and watch some Netflix"? What is it about praying for others and seeking to share our faith that helps us to endure hardship?
3. Read 2 Timothy 4:6-8. Notice how Paul is focusing on the finish! He references eternal rewards in verse 8. Paul had been given a glimpse into inexpressible things in heaven (2 Cor. 12:4). How does a focus on the finish help us to endure?
